

# HOST A BRILLIANT BREAKFAST

## Who we are:

At The King's Trust, we believe every young woman should have the chance to succeed, no matter their background or the challenges they are facing.

## Where the funds go:

The funds raised through hosting a Brilliant Breakfast can help young women launch the future they want. Through access to courses, grants and mentorship, The King's Trust can give more young women the skills and confidence they need to get into work – and soar.

## How to get involved:

Register now to host a Brilliant Breakfast at home or work, up to you! Ask your friends, family and colleagues for donations at your breakfast, and the money you raise can give young women the support they need to get back on their feet and into work.
